**Subject:** Science/Biology

**Key Concept(s):** animals, mammals, classification

### Check Your Facts: Mammals!

Watch this Wonderama Video on YouTube: [Check Your Animal Facts with Amir & Aden!](#)

*(If needed, use the video title to search for this video.)*

Play your own version of “Check Your Facts!” Check the facts that are true about mammals. (Hint: There are 5 true facts!)

Mammals only live on land.	Mammals are only carnivores (meat eaters). There are no mammals who are herbivores (plant eaters).
All mammals have fur or hair.	
Kangaroos, dolphins and seals are mammals.	Baby mammals drink their mother’s milk.
Mammals need to be out in the sun to warm their cold blood.	Humans are mammals
All Mammals have bony skeletons.	There are no mammals that live in the desert.

Can you name 5 different kinds of mammals? List as many as you can in the blanks below.
