### How You Can Help!

An easy way to help others is to help your family with chores.

Some chores you can help with are:

- Set the table
- Play with or read to a younger sibling
- Take out the garbage
- Wash or put away dishes
- Help cook meals
- Making beds
- Raking leaves or weeding
- Fold and put away laundry

Choose at least one of the chores listed above for you to do, and try to do it every day for one week.

Every time you do a chore, mark it off in the calendar below.
