Teach Someone "How-to" Do Something!

Watch this Wonderama Video on YouTube: [DJ Shiftee Shows Us How To Scratch](#)

(If needed, use the video title to search for this video.)

Answer the questions below to make your own "How-to." Then, teach someone how to do that thing!

Some examples of things you can teach, include how to:

- do a special talent you have
- cook or make a food
- do a dance move
- tell a joke
- draw something
- clean something up

Choose something from the list above or think of something else you can teach someone how to do. Then, fill in the blanks below.
