Write a Letter to Your Mayor

Watch this Wonderama Video on YouTube: [Wonderama House Party with Mayor Lori Lightfoot](#)

(If needed, use the video title to search for this video.)

A mayor is the elected head of a city, town or other type of neighborhood. Some of the things mayors do include, running their city or town's day-to-day activities and working with the laws. They also are very involved in the schools, parks and services a city provides.

Use the next page to write a letter to your mayor in the space below.

Some ideas for what to write in your letter are:

- tell your mayor an improvement that you think could be made to the schools or parks in your town
- thank your mayor for something
- share an idea or hope you have for your town
- ask for advice
- ask a question about your town or city

Be sure to include your address in your letter after you write your name, so you hopefully get a reply back!
And after you write your letter, address and send it.

Date: _____

Dear Mayor _____,

Sincerely,

Address:
